Subject: Terminology for stenographer

Hello Melissa,

I was handed a note from Carolyn Sproul the stenographer for some terminology that was used in my testimony today that she did not know. I will list the terminology below, If you would kindly please pass it along to her.

Terminology list:

Morphological

Cobalt thiocyanate

Precipitant

Modified Duquenois –Levine

Sistolitic hairs

Stereomicroscope

Crystalline

Thank you,
Daniela Frasca
